We invite you to review the items below to facilitate creative thinking on the specific topic presented.

### 8 Developing and implementing procedures and systems to improve the preparedness and response efforts of local educational agencies

- Have you reviewed or analyzed your air filtration systems as outlined by the CDC? <https://www.cdc.gov/coronavirus/2019-ncov/community/ventilation.html>
- Have you considered altering or adjusting your cleaning and disinfecting standards to meet public health guidance? <https://www.cdc.gov/coronavirus/2019-ncov/community/schools-childcare/clean-disinfect-hygiene.html>
- Has your school or district thought about the need to continue providing PPE and sanitization services into the new, 2021-2022 school year?
- Has your school or district sought to formalize your COVID plan into a sustainable pandemic and business continuity plan?
- How is your school or district addressing mental wellbeing of students and staff during the pandemic, including battling stigma related to country of origin and/or mask or lack of mask wearing?
